

Assignment 5 – Final Project

Interactive Data Visualization

SS 20

Sabrina Piasecki

The background of the slide is white and features several stylized blue virus particles. These particles are spherical with numerous small dots on their surface and several spikes of varying lengths protruding from them. They are scattered across the slide, with some appearing in the foreground and others in the background, creating a sense of depth. A dark blue horizontal bar is positioned in the center of the slide, containing the text 'Topic: COVID-19' in white.

Topic: COVID-19
